

Sun Is Up (Play & Win Extended Mix)

Inna

All the people tonight
Put your hands in the sky
C'mon boy, come and get in the rhythm, music will take you high
What I'm feeling about you,
I love you, don't know why
Everybody come and get in the rhythm, music will take you high Sun is up, move your body
I got moves and all the night, I'm in the city, yeah
I came up, for this party
I was up with this the DJ starts the beat, yeah
Sun is up, sun is up, sun is up, sun is up All the people tonight, put your hands in the sky
Come on boy, come and get in the rhythm, music will take you high
What I'm feeling about you, I love you, don't know why
Everybody come on and get in the rhythm, music will take you high, ooh All the people tonight, put your hands
in the sky
Come on boy, come and get in the rhythm, music will take you high
What I'm feeling about you, I love you, don't know why
Everybody come on and get in the rhythm, music will take you high, ooh Sun is up, move your body
I got moves and all the night, I'm in the city, yeah
