Rainy Day

America

Whenever it's a rainy day I pack my troubles up in my room I chase all the clouds away I get myself back to the wombBut I know that you're gonna cry Tears are runnin' from your eyes The piece of my life you take Is one that so often breaksWhenever you are miles away I think of you the way you are Your shining lips, your auburn hair And then it don't seem quite so farWell, I know that you're gonna cry Tears are runnin' from your eyes The piece of my life you take Is one that so often breaksWell, I know that you're gonna cry Tears are runnin' from your eyes The piece of my life you take Is one that so often breaks
