

I See the Sun (radio edit)

Tommy Henriksen

Your face I see the hurt
Often stares me down, down
I can't help but think
Our sacred hill fell down, baby Unhealed history cause nothings right
I say that all you need is time
And maybe it's right this time
And maybe it's wrong next time
And I think so
She belongs to me A-ha, I see the sun in your eyes
A-ha, I see my tears that you cry
A-ha, I see myself in your eyes
A-ha, I see the sun
The walls closing in
And I can't catch my breath
Your eyes sunshine rain
I'll love you till your death, baby Unhealed history cause nothings right
I say that all you need is time
And maybe it's right this time
And maybe it's wrong next time
And I think so
You belong to me A-ha, I see the sun in your eyes
A-ha, I see my tears that you cry
A-ha, I see myself in your eyes
A-ha, I see the sun Oh oh oh
Oh oh oh oh
Oh oh oh
Oh oh oh oh
My face stares back
Fall into my arms
I feel your kiss
All around my face
I love the sounds
That she only makes
And I
I see the tears that you cry A-ha A-ha, I see the sun in your eyes
A-ha, I see my tears that you cry
A-ha, I see myself in your eyes
A-ha, I see the sun Oh oh oh (a-ha)
Oh oh oh oh

Oh oh oh (a-ha)
Oh oh oh oh
Oh oh oh (a-ha)
Oh oh oh oh (I see the sun)
Oh oh oh (a-ha)
Oh oh oh oh (I see the sun)
