

Ready for the Fight

Port Isla

Brother don't turn away
Cast out old ghosts and pray
For cowards are calling for your name
And treasure is begging to be claimed
Cause we might
Be running for our lives
And we might
Be digging in the dirt for the last time
Cause I know tight rope is waiting
I'm ready for I'm ready for the
I know the high road is waiting
I'm ready for I'm ready for the
Fight
I'm ready for I'm ready for the
Fight
I'm ready for I'm ready for the
Fight
Lover ?
If my heart is dousing yours in doubt
Cause I go wherever trouble's found
And I'll run home whenever you're without
Cause we might
Be running for our lives
And we might
Be digging in the dirt for the last time
Cause I know tight rope is waiting
I'm ready for I'm ready for the
I know the high road is waiting
I'm ready for I'm ready for the
Fight
I'm ready for I'm ready for the
Fight
I'm ready for I'm ready for the
Fight
And when the winds arrives ?
I'll be the champion in your eyes
I know I'm ready for the fight
Ooo-oo
Ooo-oo

Yeah yeah yeah yeah yeah yeah

Ooo-oo

Ooo-oo

I'm ready for I'm ready for the

Fight

I'm ready for I'm ready for the

Fight

I'm ready for I'm ready for the

I know tight rope is waiting

I'm ready for I'm ready for the

I know the high road is waiting

I'm ready for I'm ready for the

Fight
