

The One

Stan Walker

When I look into your eyes,
I don't see the light at all,
Used to be so beautiful,
But I know that things have changed, We're only going round and round,
Circling an empty place,
I wonder if you feel the same,
Baby I just have to know, If I am not the one, why we holding on?
What's the point in all this time,
Just to find, there's nothing here between us,
If it's not for life,
It's be cruel to be kind,
Cos I've already been with you for way too long,
If I am not the one. Promises are hard to keep,
The emptiness is hard to bear,
When you know that if you reach
A little deeper, nothing's there,
Nothing's gonna to make it right,
We're only gonna make it hurt,
We're only gonna make it worse, If I am not the one, why we holding on?
What's the point in all this time,
Just to find, there's nothing here between us,
If it's not for life,
It's be cruel to be kind,
Cos I've already been with you for way too long,
If I am not the one. All we have is what we had,
And that's just not enough,
If I'm not the one,
What's the point in all this time,
Just to find, there's nothing here between us,
If it's not for life
It's be cruel to be kind,
Cos I've already been with you for way too long, Baby life ain't going, just let this be done
If I am not the one,
If I am not the one,
If I am not the one.
