

# Super Fucked

## The Brian Jonestown Massacre

Some??? let you feel like fucking sprawl

She was??? instead, he was die???

You reach that climb and swear???

Your heart??? and no one cares  
Look about something you can shure  
So you talk??? on your knees again and you  
try to pray

And you take??? drugs and??? close away

As the bitch??? and??? round to stay

And???, so what?

I got my hand, you can call me your friend and I???

So, motherfucker, just??? begin
