

A Girl Like Me

Emma Bunton

What you get is what you see
Let me tell you basically
This is how it's gotta be
Can't, with a girl like me Can't change my destiny
So if you wanna get next to me
Gotta treat me faithfully
Can't, with a girl like me Two o' clock, I'm all alone
Hear you on the telephone
Telling me another line Said that you'd be working late
Asking me if I could wait
Run that by me one more time Keep me hanging on the line
But you're running out of time
Might have been a fool for love, but I'm not blind If you're looking for a play thing
Every other day thing
I am not the one for you I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me
With a girl like me Broken rings and promises
Gotta be much more than this
I don't have to compromise Been around enough to know
When it's time to let it go
Do I have to say, Goodbye Gonna make it clear to you
Only one thing left to do
Better understand 'cos every word is true If you're looking for a play thing
Every other day thing
I am not the one for you, yeah yeah I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me, oh yeah
With a girl like me, yeah, yeah, yeah, yeah Yeah, yeah, yeah What you get is what you see
Let me tell you basically
This is how it's gotta be
Can't, with a girl like me
(With a girl like me) Can't change my destiny
So if you wanna get next to me
Gotta treat me faithfully

Can't, with a girl like me Gonna make it clear to you
Only one thing left to do
Better understand 'cos every word is true If you're looking for a play thing
Every other day thing
I am not the one for you, yeah, yeah I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me
(That how it's gotta be)
With a girl like me, yeah, yeah, yeah, yeah Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Oh yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
