Policies

Pete Yorn

Policies drive a nation
Don't tell you their role
Policies drive a nation
Don't tell you their role
Clearly think
Clearly see
Gonna take you over
Gonna take you over
Prophecies drive a nation
Don't take the low road
Policies drive vacations
Don't take the low road
Clearly think
Clearly see
It's gonna take you over
Gonna take you over
Hey, boy, are you cut with that?
Hey, boy, are you cut with that?
I've gone over
I got everything that I've got
1, 2, 3, 4!
Policies drive a nation
Don't tell you their roles
Clearly sees
Clearly thinks
It's gonna take you over
Gonna take you over
Hey, boy, are you cut with that?
Hey, boy, are you cut with that?
I've crossed over
I've crossed over
Boy, are you cut with that?
Hey, boy, are you cut with that?
I've gone over
I crossed over
(over)
