

Hey Baby

The Lost Trailers

Your daddy thinks Im up to no good
Im only doin what a young man should
Its been thirteen days since Ive seen your face
I can tell, pretty babe, you wanna get away So Im firin' up the Chevy, you better get ready
Hit downtown with the tailgate down
Blast 'Song of the south' till the cops come out
Watch the full moon glide on the riverside Hey baby, hey baby
Lets take a ride this Saturday night
Get lost under the full moonlight, hey baby I got a cooler and a fifth of rum
Ride by our old high school on highway one
Raise these solo cups to the hands of fate
Can you believe they ever let us graduate? Now the strips fillin up, aint no place to hide
It's gettin so hot with you by my side
Tell me what you want, tell me what you need
Tonight I swear Im gonna give you everything Hey baby, hey baby
Lets take a ride this Saturday night
Get lost under the full moonlight, hey baby Hey babe, its been a long, long time
But it feels so right when you hold me tight
You know I wanna make it last all night Hey baby, hey baby
Lets take a ride this Saturday night
Get lost under the full moonlight Hey baby, hey baby
Lets take a ride this Saturday night
Get lost under the full moonlight
Get lost under the full moonlight, hey baby
