

Anxiety

Anshlav

Anxiety, anxiety, keeps me happy
Anxiety, anxiety, keeps me happy
 Always stiff all day long
 Nothing's right till it's all wrong
 It makes no sense until I'm tense
 Always laughing at your expense
 Anxiety, anxiety, keeps me happy
 Anxiety, anxiety, keeps me happy
 Always biting on my nails
 Always stiff, it never fails
 Now, I think I'll pick my nose
 Wipe it on my sweaty clothes
 Anxiety, anxiety, keeps me happy
 Anxiety, anxiety, keeps me happy
 Always screamin' at someone
 Got a temper like a gun
 Hair trigger personality
 Anxiety, anxiety, keeps me hap-happy
 And I'm crazy, crazy, crazy in a crazy world
 And I'm crazy
 (Crazy)
 Crazy in a crazy world
 And I'm crazy
 (Crazy)
 Crazy in a crazy world
 And I'm crazy, crazy, crazy in a crazy world
 A N X I E T Y, A N X I E T Y
 Anxiety keeps me high
 Cross my heart and hope to die
 Anxiety, anxiety, anxiety, anxiety
