REGAL BEGAL

Fu Manchu

I've got a pair rollin' from my head
I'm diggin' deep getting on as plannedI've got this number runnin' through my head
Say the word tell me where and when
I move in motion I can see it clear
Just get in and drive me out of hereI've got a pair rollin' from my head
I'm diggin' deep geting on as plannedI swear I got a lever hooked to the right
Hell on wheels since the start of time
Last word heard and I've got mine
Hung on the wall swingin' mechanized
