

# Into The Night (2009)

## Benny Mardones

She's just sixteen years old  
Leave her alone, they say  
Separated by fools  
Who don't know what love is yet  
But I want you to knowIf I could fly, I'd pick you up  
I'd take you into the night  
And show you a love  
Like you've never seen, ever seenIt's like having a dream  
Where nobody has a heart  
It's like having it all  
And watching it fall apartAnd I would wait till the end of time for you  
And do it again, it's true  
I can't measure my love  
There's nothing to compare it to  
But I want you to knowIf I could fly, I'd pick you up  
I'd take you into the night  
And show you a love  
Ooh, if I could flyI'd pick you up  
I'd take you into the night  
And show you a love  
Like you've never seen, ever seen  
Yeah, ooh
