Losing My Grip

Samson

Another night follows the day
Like a child does to its mother
And everywhere I look I see your face
On the face of others
And I can't escape the pain
Of all the questions I went through
I never told myself the truth
I turned my back on you and me
'Cause I was scared to see
That we weren't who we used to beSo now I'm trying hard to let go
Let you go, but I can't seem to loosen my grip
Trying hard to let go, let you go, let you go, let you go, goI feel an emptiness inside
A part of me already died
When I pretended to go on
Like everything's okay
Then all we built began to fall
As I began to lose it all
I shut my eyes to set me free
'Cause I was scared to see
That we weren't who we used to beSo now I'm trying hard to let go
Let you go, but I can't seem to loosen my grip
Trying hard to let go, let you go, let you go, let you go, goYou're all that I ever wanted
You're everything that I need
But now it's finally over
Time for goodbyes, I'm neededSo now I'm trying hard to let go
Let you go, but I can't seem to loosen my grip
Trying hard to let go, let you go
Let you go, let you go, go
I'm trying hard to let go (let you go, let you go) let you go, go
