

# The Ocean

## Atrox

Enslaved by the sea  
You can't resist  
Surrounded  
By darkness  
At powers devours  
Your mind  
Dark forces  
Avenging the past On a banished raft  
Body so shrinked  
Seared  
This pungent stench  
So abhorring  
Fear  
The ocean  
Eradicates Out of the dark  
The flashing eyes  
Hypnotise  
Filled with disdain  
The ocean feels  
Contemptuous  
So profane  
The ocean eradicates
