

Stop For A Minute

Keane

Oh, whoa, oh, oh
Oh, whoa, oh, oh
Some days, feel my soul has left my body
Feel I'm floating high above me
Like I'm looking down upon me
Start sinking, every time I get to thinking
It's easier to keep on moving
Never stop to let the truth in
Sometimes I feel like it's all been done
Sometimes I feel like I'm the only one
Sometimes I wanna change everything I've ever done
I'm too tired to fight and yet too scared to run
And if I stop for a minute
I think about things I really don't wanna know
And I'm the first to admit it
Without you I'm a liner stranded in an ice flow, yeah
I feel like a thief who has no faith
Made immoral by the grade
Of the drugs you took that day
Sinking in the pain he's been inflicting
Yet he's feeling like the victim
Just the horoscopes to blame
Sometimes I feel like a little lost child
Sometimes I feel like the chosen one
Sometimes I wanna shout out 'til everything goes quiet
Sometimes I wonder why I was ever born
And if I stop for a minute
I think about things I really don't wanna know
And I'm the first to admit it
Without you I'm child and so wherever you go
I will follow
Uh, yeah, and baby, you are just beautiful
From crown to your cuticles
You held down my two sons
You never frown when duty calls
You know me, I gave you more than you can handle
But you still keep a handle on it
Even when I take something beautiful and vandal on it
No more females, well, how come my emails got notes on a scandal?

It's like Eve with the apple, a priest in the chapel
Overcome by the devil's tackle
I'm still shackling the bad 'til I know
I'm such a hassle
And every time I let my thoughts go
I get baffled so I hardly pause
I just cross seas with these nearly broads
'Cause it hurts me to see what I finally lost
So I guess I'm just a fiend consumed by the scene
The stage and the screens
Where it's just me and Keane
And if I stop for a minute
I think about things I really don't wanna know
So I guess I'm just a fiend
Consumed by the scene
And I'm the first to admit it
Without you I'm a liner stranded in an ice flow
The stage and the screens
Where it's just me and Keane
Oh, oh, oh, oh, oh
Oh, oh, oh
