

Try Me (Live At the Roundhouse, London '76)

UFO

Tell me why were never more than strangers
Tell me why you never let it show But when you're close to me
And whisper, I need you
In the cold mornin' light Try me, oh take me for a little while
Before its over and you leave me with just a smile
Try me, oh let me be the one
You say its over
But for me it had just begun Tell me why we seem no more than strangers
Tell me why the feelin' never goes But when you're close to me
And whisper, I need you
In the cold mornin' light Try me, oh take me for a little while
Before its over and you leave me with just a smile
Try me, oh let me be the one
You say its over
But for me it had just begun
