

Aiming At Your Heart

The Temptations

Tell me how you been
Well, it's so good to me to see you again
Lady, you're so fine
I wish there was a way I could share your time I need someone in my life
'Cause I'm lonely, yeah, for your lovin'
You make me feel so alive
You're the woman and nobody else will do That's why I'm aiming at your heart, aiming
Aiming at your heart, aiming, aiming
Aiming at your heart, aiming, yeah, yeah
Aiming at your heart Why don't you love me? Don't be shy
Like the wings of an eagle let your feelings fly
Precious shinin' star
Do I need me a rocket to be where you are? Yeah I need someone in my life
'Cause I'm lonely for your lovin'
Ooh girl, you make me feel so alive
You're the woman and nobody else would do That's why I'm aiming at your heart, aiming
Aiming at your heart, aiming, aiming
Aiming at your heart, aiming, aiming
Aiming at your heart, aiming at your heart I'm aiming at your heart, aiming
Aiming at your heart, aiming, aiming
Aiming at your heart, aiming
Aiming at your heart I'm aiming at your heart, aiming
Aiming at your heart, aiming, aiming
Aiming at your heart, aiming
Aiming at your heart I'm aiming at your heart, aiming
Aiming at your heart, aiming, aiming
