

# Obsolete

## Johnny Hoax

Nothing is the way it seems  
Discernin' man from machines  
    Dominate as to erase  
    Wipin' man off earth's face  
    Fueling engines through deceit  
    To eradicate humanity  
        Man is obsolete  
        Erased, extinct  
    Nothing is the way it seems  
    Discernin' man from machines  
    Dominate as to erase  
    Wiping man off earth's face  
Now, defaced by all inept justice  
    Shamed by the mental abuses  
    Branded inferior weakness  
    Ordered to cease and to desist  
        Man is obsolete  
        Our world, obsolete  
        Man is obsolete  
        Erased, extinct  
        Obsolete, obsolete  
        Obsolete, obsolete  
    Fueling engines through deceit  
        Eradicate humanity  
    Defaced by all inept justice  
    Shamed by the mental abuses  
    Branded inferior weakness  
    Ordered to cease and to desist  
        Man is obsolete  
        Our world, obsolete  
        Man is obsolete  
        Erased, extinct  
        Man is obsolete  
    Our world, obsolete  
        Man is obsolete  
        Erased, extinct  
        Obsolete, obsolete  
        Obsolete, obsolete  
        Man is obsolete

Man is obsolete

Man is obsolete

Man is obsolete
