

Jealous Girl

Steve Moakler

Iâ€™ have a friend of a friend, whoâ€™s talent was countin down to friday
Started losin track of everything, once I saw you lookin my way

Yeah, iâ€™m pretty good at talking, askin how your dayâ€™s been,
But hey, what i really wanna say isâ€

It aint justified, but i canâ€™t help feelin jealous girl
Iâ€™m wishin you were mine, are you someone elses, jealous girl?

Yea, I know thereâ€™s a lot of fish in the sea, but
Youâ€™re the only you in the world, and itâ€™s makinâ€™ me jealous girl

Youâ€™re makin me jealous girlâ€

Iâ€™m hanging on every word now, and weâ€™re laughin at the punch lines
Well, how does anybody walk away once theyâ€™ve seen those eyes

Wanna stick around, maybe have another drink
And i could tell you what iâ€™ve been thinkinâ€

It aint justified, but i canâ€™t help feelin jealous girl
Iâ€™m wishin you were mine, are you someone elses, jealous girl?

Yea, I know thereâ€™s a lot of fish in the sea, but
Youâ€™re the only you in the world, and itâ€™s makinâ€™ me jealous girl

Youâ€™re makin me jealous girlâ€

Wanna get you out of here, maybe paint the town red,
Are you feelin it too- Or is it just in my head?

It aint justified, but i canâ€™t help feelin jealous girl
Iâ€™m wishin you were mine, are you someone elses, jealous girl?

Yea, I know thereâ€™s a lot of fish in the sea, but
Youâ€™re the only you in the world, and itâ€™s makinâ€™ me jealous girl

Youâ€™re makin me jealous girlâ€
