

# Do The Freddie

## Chubby Checker

Are you ready, Let's do the Freddie  
Are you ready, Gonna do the Freddie  
Oooo Oooo Oooo Ooo  
Do the Freddie  
Oh Oh Oh Oh  
There's a dance that crossin' the nation  
Causin' more than a great sensation  
You flip your wings just like a bird  
I know it sounds crazy  
But you gotta take my word  
You wave your hands up to the sky  
Kick your legs out to the side  
Are you ready, Let's do the Freddie  
Are you ready, we're gonna do the Freddie  
Better do the dance every day or night  
If you wanna learn to do it right  
It's good to [- - ] the second hop around  
Your heart starts poundin' like it's upside down  
Are you ready, Let's do the Freddie  
Are you ready, we're gonna do the Freddie

Ar mums and brothers, sisters and ya daddio  
Soon as you learn the Freddie  
Other dances gotta go oh oh  
(Instrumental)

Do it in your house and down at school  
Do it with the hippies and with the fools  
Do this dance every day and night  
If you wanna learn to do it right  
You gotta wave your hands up to the sky  
Kick your legs out to the side  
Are you ready, Let's do the Freddie  
Are you ready, get ready Freddie  
Kick your legs out to the side  
Gonna do the Freddie  
Kick your legs up high  
Gonna do the Freddie...fade
