I Don't Want To Set the World On Fire

The Ink Spots

I don't want to set the world on fire
I just want to start a flame in your heartIn my heart I have but one desire
And that one is you
No other will doI've lost all ambition for worldly acclaim
I just want to be the one you loveAnd with your admission that you feel the same
I'll have reached the goal I'm dreaming ofBelieve me
I don't want to set the world on fire
I just want to start a flame in your heart
"I don't want to set the world on fire honey."
"I love you too much."
"I just want to start a great big flame, down in your heart"
"You see, way down inside of me, darling, I only have one desire."
"And that one desire is you. And I know, nobody else ain't gonna do."
I've lost all ambition for worldly acclaim
I just want to be the one you love
And with your admission that you feel the same
I'll have reached the goal I'm dreaming of
Believe me
I don't want to set the world on fire
I just want to start a flame in your heart
