Father

Manowar

When I was small You took me by the hand Father you should know I finally understandYou taught me wrong from right And how to live You gave the greatest gift That one could giveYou never let me down You made me strong When I made mistakes When I was wrongSome days we'd laugh And some days we'd fight Somehow you knew one day I'd say you were rightYou're with me In every word I say In every hour Of every single day In all I do I'm just a part of youYou lived your life for us That was your plan Those hands that never take They worked the land Hands that never take Can only give And because of you I know how to liveYou're with me In every word I say In every hour Of every single day In all I do

I'm just a part of youFather just one thing
You always knew
Every word you said to me was true
