

Everyday

Lloyd

Life has its ups and downs but all im witnessin is struggle around wish i could help make a change....oh, but its so much hurt around me so much pain, so why (why) cant we all just get along and try (try) try to hold on try to be strong now is the time for us to start to open our hearts let love in our lives (life) keep your head up up to the sky because(chorus)

Everyday can be beautiful(everyday) every cloud has its time before the sun
