Kill Hannah

Jealousy, is standing on the edge
Seems like, a million years ago
Says she just wants to touch the heavens
Says shes coming down
Four, three, two, one, zeroPaper dolls
Will find you when your lost and so alone
Paper dolls
Your tortured, but it makes you beautiful
Paper dolls
Is quiet now, but wait till we explodeJealousy, is driving towards the edge
Faster than weve ever been before
Tonight she said, well dance among the angels
So start the countdown
Four, three, two, one, zeroPaper dolls
Will find you when your lost and so alone
Paper dolls
Your tortured, but it makes you beautiful
Paper dolls
Is quiet now, but wait till we explodeFor all the paper dolls
For all the paper dollsFor all the paper dolls
For all the paper dollsFor all the paper dolls
Oh, ohhh
