

# Share Your Love

Angela Bofill

Mmm, hmmm  
Mmm, hmmmMmm  
Share your love with the worldIsn't strange  
How everything's changed  
When we have been friends  
All that we care is up in the air  
When we have been friendsWhoa, whoa  
Share your love with the world  
Whoa, whoa  
Share your love with the world  
(It deserves what you are)  
Baby, it's wrong  
To think I'm so strong  
That we'd never end  
Oooh, though what it was  
Is not near what it does  
To see you againOh, there is the look  
That was understood of being in love  
It's not in your eyes  
No, you can't disguise  
What you're thinking ofWhoa, whoa  
Share your love with the world  
Whoa, whoa  
Share your love with the world  
(It deserves what you are)  
You say it's not a problem we got  
That's bringing you down  
Oooh, say what it is  
Oh, we can forgive and feel better nowOh, drop the defense that's making you tense  
It's just a mirage  
Mmm, loose in your sheets  
So warm underneath  
Can feel the massageWhoa, whoa, whoa  
Share your love with the world  
Whoa, whoa  
Share your love with the worldOh, oh, oh  
Share your love with the world  
Oh, oh, oh  
Share your love with the worldOh, oh, oh

Share your love with the world  
Oh, oh, oh  
Share your love with the worldOh, oh, oh  
Share your love with the world  
Oh, oh, oh  
Share your love with the worldOh, oh, oh  
Share your love with the world  
Oh, oh, oh  
Share your love with the world
