

# Christmas Is a Birthday

Burl Ives

Sing now a song of joy  
Every Christmas is a birthday  
Of that Baby born in Bethlehem  
Far Far away Ring out ol' bells of joy  
Every Christmas is a birthday  
Celebrated for that Baby Boy  
Born Christmas Day Sweet little stranger  
There in the manger  
Sent to be King of us  
That Day of days Angels above Him  
Told us to love Him  
Cling to him, bring to Him  
Glory and praise sing now a song of joy,  
ever Christmas is a birthday  
of that baby born in beth-le-hem  
far, far a away Ring out ol' bells of joy Every Christmas is a birthday  
Celebrated for that Baby Boy  
Born Christmas Day Ring out ol' bells of joy Every Christmas is a birthday  
Celebrated for that Baby Boy  
Born Christmas Day Sweet little stranger  
There in the manger  
Sent to be King of us  
That Day of days Angels above Him  
Told us to love Him  
stanger there in a manger  
sent to be king of us  
the day of days Angels above Him  
Told us to love Him  
stanger there in a manger  
sent to be king of us  
that day of days Angels above Him  
Told us to love Him  
stanger there in a manger  
sent to be king of us  
that day of days Cling to him, bring to Him  
Glory and praise  
Cling to him, bring to Him  
Cling to him, bring to Him  
give him the Glory and praise,

Glory and praise
