

Love on the Brain

KIDZ BOP Kids

And you got me like, ah
What you want from me? (What you want from me?)
And I tried to buy your pretty heart
But the price is too high Baby you got me like, ah ah ah ah ah ah
Whoo, ah ah ah ah ah ah
Don't you stop loving me
(Loving me)
Don't quit loving me
(Loving me)
Just start loving me
(Loving me)
Oh oh oh
And babe
I'm just fighting with fire
Just to get close to you
Can we learn something babe?
And I'll run for miles
Just to see your face
Must be love on the brain That's got me feeling this way (Feeling this way)
It makes me feel it's true
But it tricks me so good
And I can't get enough
Must be love on the brain, yeah (whoo) And it keeps calling my name (calling my name)
No matter what I do
It's no good without you
And I can't get enough
Must be love on the brain
Then you keep loving me
Just love me, yeah
Just love me
All you need to do is love me, yeah Got me like, ah ah ah ah ah ah
Wooh, ah ah ah ah ah ah
Don't you stop loving me (loving me)
Don't quit loving me (loving me)
Just start loving me (loving me)
Wooh And, babe
I'm just fighting with fire
Just to get close to you
Can we learn something, babe?

And I'd run for miles
Just to see your faceMust be love on the brain (whoa)
That's got me feeling this way (feeling this way)
It makes me feel it's true
But it tricks me so good
And I can't get enough
Must be love on the brainAnd it keeps calling my name (calling my name)
No matter what I do
It's no good without you
And I can't get enough
Must be love on the brain
