

I Want To Know You

Jesus Culture

I stand before You, awed by Your majesty
Covered by Your mercy, Your blood has made me free

Draw me to You and set my heart on fire
I want to know You, You're my one desire

I give You my worship
All of my passion
I give You my whole heart
All my devotion
Here I will bow down
And say I need You

Here I will worship
And say that I love You
Oh how I love You
Oh how I love You

Grace never ending, Your hands they carry me
Body that was broken, for all the world to see
My heart is held by love so unconditional
You captivate me, You're the lover of my soul

I want to know You, let Your spirit overwhelm me, let Your presence overtake my heart
