Missing You

John Waite

Every time I think of you
I always catch my breath
And I'm still standing here
And you're miles away
And I'm wondering why you leftThere's a storm that's raging
Through my frozen heart tonight
I hear your name in certain circles
And it always makes me smile
I spend my time thinking about you
And it's almost driving me wildAnd there's a heart that's breaking
Down this long distance line tonight
I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what I might sayThere's a message in the wire
And I'm sending you this signal tonight
You don't know, how desperate I've become
And it looks like I'm losing this fight
In your world, I have no meaning
Though I'm trying hard to understandAnd it's my heart that's breaking
Down this long distance line
But I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friends sayAnd there's a message that I'm sending out
Like a telegraph to your soul
And if I can't bridge this distance
Stop this heartbreak overloadI ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friends say
I ain't missing you
I ain't missing you
I can lie to myselfAnd there's a storm that's raging
Through my frozen heart tonight
I ain't missing you at all
Since you've been gone
I ain't missing you
No matter what my friends sayAin't missing you

I ain't missing you
I ain't missing you
I keep lying to myself
Ain't missing you
I ain't missing you
I ain't missing you
