Voices

Motionless In White

Voices in my head again
Trapped in a war inside my own skin
There pulling me underGo!I swallow myself, but the fever remains
I'm numb to pleasure, but still feel the pain
If I showed you my soul, would you cover your eyes?
If i told you the truth, would you dare me to lie?
(I keep it all inside because I know that man is everything but kind)
Voices
In my head again
Beating me in a war I can't win
I can hear them now
Trapped in a game inside my own skin
And I don't know myself anymore
There pulling me under
Voices
(Woah oh oh woah oh oh woah oh oh oh oh oh)
Voices
(Woah oh oh woah oh oh woah oh oh oh oh oh)As I walk through this valley, of shadow and death
I curse not the wicked, I brace not the blessed
If i told you the truth, you'd beg me to change
If fear were a currency, you'd own the bank
Voices
In my head again
Beating me in a war I can't win
I can hear them now
Trapped in a game inside my own skin
And I don't know myself anymore
There pulling me under
VoicesI don't want to live, so countless and frozen, ugly and hopeless
I don't want to live forever
I just want to live mine now
You can't take me from me
Voices
In my head again he-head againVoices
In my head again
Beating me in a war I can't win
I can hear them now
Trapped in a game inside my own skin
And I don't know myself anymore

There pulling me under
Voices
(Woah oh oh woah oh oh woah oh oh oh oh oh)
Voices
(Woah oh oh woah oh oh woah oh oh oh oh oh)
There pulling me under
Voices!
Voices!
(I keep it all inside because i know that man is everything but kind)
(I keep it all inside because i know that man is everything but)
Kind
