

# He's Simple, He's Dumb, He's The Pilot

## Grandaddy

Adrift again 2000 man  
You lost your maps, you lost the plans  
Did you hear them yell, "Land, damn it, land?"  
You say, you can't  
Well I hope you can, I hope you can How's it goin' 2000 man?  
Welcome back to solid ground my friend  
I heard all your controls were jammed  
Well it's just nice to have you back again But I guess they still don't understand  
And they can never understand  
And they said, "Go find 2000 man"  
And they said, "Tell him, we've got new plans"  
But instead I'm here to tell you friend I believe they want you to give in Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man? (Did you love this world?)  
And this world not love you  
(Did you love this world?)  
And this world not love you  
(Did you love this world?)  
And this world not love you  
(Did you love this world?)  
And this world not love you Are you givin' in 2000 man?  
(Did you love this world?)  
And this world not love you  
Are you givin' in 2000 man?  
(Did you love this world?)  
And this world not love you? Are you givin' in 2000 man?  
(Did you love this world?)  
And this world not love you?  
Are you givin' in 2000 man?  
(Did you love this world?)  
And this world not love you?  
(Did you love this world?) Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man?  
Are you givin' in 2000 man?

Don't give in 2000 man
