

Silent Scream

Slayer

Nightmare, the persecution a child's dream of death
Torment, ill forgotten a soul that will never rest
Guidance, it means nothing in a world of brutal time
Electric, circus wild deep in the infants mind Silent scream bury the unwanted child
Beaten and torn sacrifice the unborn Shattered, adolescent bearer of no name
Restrained, insane games suffer the children condemned
Scattered, remnants of life murder a time to die
Pain, suffrage toyed life's little fragments destroyed Silent scream crucify the bastard son
Beaten and torn sanctify lives of scorn Life preordained humanity maintained
Extraction termination pains agonizing stain
Embryonic death embedded in your brain
Suffocation, strangulation death is fucking you insane Nightmare, the persecution a child's dream of death
Torment, ill forgotten a soul that will never rest
Innocence withdrawn in fear
Fires burning can you hear cries in the night
