

# Every Breath You Take

## Sting

Every breath you take  
And every move you make  
Every bond you break, every step you take  
I'll be watching youEvery single day  
And every word you say  
Every game you play, every night you stay  
I'll be watching youOh, can't you see  
You belong to me?  
How my poor heart aches  
With every step you takeAnd every move you make  
And every vow you break  
Every smile you fake, every claim you stake  
I'll be watching youSince you've gone I've been lost without a trace  
I dream at night, I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby please  
Oh Mummy, oh ohOh, can't you see  
You belong to me?  
How my poor heart aches  
With every step you takeAnd every move you make  
And every vow you break  
Every smile you fake, every claim you stake  
I'll be watching youEvery move you make, every step you take  
I'll be watching you  
I'll be watching youEvery breath you take  
Every move you make  
Every bond you break, every step you take  
Every single day  
Every word you say  
Every game you play, every night you stayEvery breath you take  
Every move you make  
Every bond you break, every step you take  
Every single day  
Every word you say  
Every game you play, every night you stayEvery breath you take  
Every move you make  
Every bond you break, every step you take  
Every single day

Every word you say  
I'll be watching you
