The Fathers Seed

The Plot In You

Female Crying
[Male: "Hello?... Hello?" Female: "I'm Pregnant"Male: "NO!"]*Baby Crying*
You were just a mistake,
Nothing I had planned for, nothing I wanted,
You ruined everything I had,
Just know I wanted you dead.
There is no god,
There is no heaven.
And love is just a word we say,
Don't get this confused.
Can't seem to block this,
I keep looking back,
Keep moving backwards,
I'll wish you dead till it's done (Till, It's, Done!)
There's nothing for you here
I'll keep you locked and shoved away,

You'll stay so far away from me (Away, From, Me!)
I am the devil,
I am your lack of sleep,
God can't help you now
She was just a mistake,
I never loved her,
I never needed her,
She was your last hope but it's my turn,
I waited for this
There's nothing for you here,
I'll keep you locked and shoved away,
You'll stay so far away from me
You are not my son,
I am not your father,
Just know one thing,
I wanted you dead,
There's nothing left here
