Minnesota, WI (Feverkin Remix)

Bon Iver

Armour let it through
Borne the arboretic truth
You kept posing
Sat down in the suit
Fixed on up it wasn't you
By finished closingRamble in the roots
Had the marvel, moved the proof
Be kneeled fine's glowing
Storing up the clues
It had its sullen blue
Bruised through by showingSettle past a patience
Where wishes and
Your will are spilling pictures
Water's running through
In the valley where we grew
To write this, this scriptureNever gonna break
Never gonna break
Never gonna break
Never gonna break
Not for a part
In any gamut of the darkDoubled in the toes
Annex it, it minute closed
In the morning
Did not lose it in
The stack's stow, I'ma
Lay that call back on youYou know it won't beseech you
We're laying in an open field
I will let you grow
No need to know thisSo carry on, my dear
What is clear up in the
Daylight is we're hung here
Fall is coming soon
A new year for the moon
And the Hmong hereNever gonna break
Never gonna break
Never gonna break
Never gonna break
All that it seems
Bellows tracing through the streamsNever gonna break

Never gonna break
Never gonna break
Never gonna break
All at its seams
Swallows swelling for the beams
