

# Minnesota, WI (Feverkin Remix)

## Bon Iver

Armour let it through  
Borne the arboretic truth  
    You kept posing  
    Sat down in the suit  
    Fixed on up it wasn't you  
By finished closingRamble in the roots  
    Had the marvel, moved the proof  
    Be kneeled fine's glowing  
    Storing up the clues  
    It had its sullen blue  
Bruised through by showingSettle past a patience  
    Where wishes and  
    Your will are spilling pictures  
    Water's running through  
    In the valley where we grew  
To write this, this scriptureNever gonna break  
    Never gonna break  
    Never gonna break  
    Never gonna break  
    Not for a part  
In any gamut of the darkDoubled in the toes  
    Annex it, it minute closed  
    In the morning  
    Did not lose it in  
    The stack's stow, I'ma  
Lay that call back on youYou know it won't beseech you  
    We're laying in an open field  
    I will let you grow  
No need to know thisSo carry on, my dear  
    What is clear up in the  
    Daylight is we're hung here  
    Fall is coming soon  
    A new year for the moon  
And the Hmong hereNever gonna break  
    Never gonna break  
    Never gonna break  
    Never gonna break  
    All that it seems  
Bellows tracing through the streamsNever gonna break

Never gonna break  
Never gonna break  
Never gonna break  
All at its seams  
Swallows swelling for the beams
