

# Brand New Life (LP Version)

## Rachael Lampa

I remember when I fell to my knees  
Sayin', "Please, come to me", I really need You now  
I felt Your mercy bringing truth to my soul

And now I know letting go has led me here somehow  
So this is how it feels when You're around me, oh  
So this is how it feels when love surrounds me, yeah  
The sun is shining and the grass is green

The birds are singing in harmony  
And I wake up knowing that You're here with me  
Thank you, for my brand new life  
My days are colored by a lasting hope  
It's like I'm looking through a kaleidoscope  
I see Heaven everywhere I go

Thank You for my brand new life, yeah  
I never realized what it meant to be free

Now I see, all I need is what You want for me  
And I believe it, You've erased any doubt

I know it now, can't live without all You've given me, yeah  
So this is how it feels to be forgiven  
So this is how it feels to be really living  
The sun is shining and the grass is green

The birds are singing in harmony  
And I wake up knowing that You're here with me  
Thank You for my brand new life  
My days are colored by a lasting hope  
It's like I'm looking through a kaleidoscope  
I see Heaven everywhere I go

Thank You for my brand new life  
I've never seen a miracle before

But now I see them every day I'm sure  
It's almost like You've opened up a door

To a brand new life  
The sun is shining and the grass is green

I wake up knowing that You're here with me

Thank You for my brand new life  
My days are colored by a lasting hope

It's like I'm looking through a kaleidoscope  
I see Heaven everywhere I go

For my brand new, for my brand new life  
The sun is shinin' and the grass is green

The birds are singin' in harmony

And I wake up knowing that You're here with me

I wake up and You form my brand new life  
My days are colored by a lasting hope

It's like I'm looking through a kaleidoscope  
I see Heaven everywhere I go
