Love Tonight

Lucy Hale

I kinda like the way you smile
And maybe that is all I need to know about you right now
Imagination running wildWe can make this whatever we want it
Whoa-oh-oh
Whatever you're selling, I've already bought it
Whoa-oh-ohWhatever this is
Oh baby, let's not chase it
It's only a kiss
Oh, we don't have to complicate it
Don't stop now, it's already started
Whatever you're doing, don't slow it down
There's nothing wrong with a little bitty white lie
Let's call it love tonight
Let's call it love tonightI like your hands around my waist
I don't know what you whispered in my ear, but it sounded so good
What do you say we get out of this place?This could be one of those "should've known better"
Whoa-oh-oh
But I bet I don't wake up wishing I'd never
Never, everWhatever this is
Oh baby, let's not chase it
It's only a kiss
Oh, we don't have to complicate it
Don't stop now, it's already started
Whatever you're doing, don't slow it down
There's nothing wrong with a little bitty white lie
Let's call it love tonight
Let's call it love tonight
Let's call it love tonightOh, whatever this is
Oh baby, let's not chase it
It's only a kiss
Oh, we don't have to complicate it
Oh, don't stop now, it's already started
Whatever you're doing, don't slow it down
There's nothing wrong with a little bitty white lie
Let's call it love tonight
Let's call it love tonight
Oh, oh, oh
Let's call it love tonight
