

# If the World Don't End Tomorrow

**George Jones**

Since you've been gone I don't sleep no more

I just stay at home and walk the floor

To keep my heart from breakin' there's just one thing to do

If the world don't end tomorrow I'm comin' after you. The sun may shine and the wind may blow

I'll travel through rain, I'll travel through snow

Lord, I'm tired of tryin' and wonderin' what to do

If the world don't end tomorrow I'm comin' after you. Some people can live with a broken heart but not me (not me)

And I'm not gonna let you tear it apart you see

I'll move a mountain that's how I feel

I'll swim the ocean in a suit of steel

And the quick sands full of crocodiles

Just watch me wade on through

If the world don't end tomorrow I'm comin' after you. Some people can live with a broken heart but not me (not me)

And I'm not gonna let you tear it apart you see

I'll move a mountain that's how I feel

I'll swim the ocean in a suit of steel

And the quick sands full of crocodiles

Just watch me wade on through

If the world don't end tomorrow I'm comin' after you.
