

Lie To Me

[Bryan Adams](#)

I walked in you walked out
i knew right then something was up
ya said 'don't ask me no questions won't tell ya no lies'
it comes as such a surprise
think I'll close my eyes to the pain
'cause tonight i don't wanna know where you've been so won't you lie to me
then i can't be mistaken
swear that you will lie to me
i don't wanna hear my heart breakin' tell me the things that i wanna hear
i don't give a damn if you ain't sincere
baby just swear (baby just swear)
swear that you'll lie to me you walked in - i walked out
baby this ain't what - we've been about
if i touched your hand - would ya pull it away
was it something i didn't say
i forgive ya all - the same
but tonight i don't wanna know where you've been (chorus) you can't say the things you want
i won't let ya tell the truth
'cause i don't (cuz i don't) give a damn (give a damn)
and i don't (and i don't) wanna know where you've been.
