Day Four

Bloc Party

Its in the trees
Its in the leaves
This time i know what
That Ill stay clear
Anything it gives
Anything it gives it will take back
This city is here for youMy life, much long
What i know who owns.
its running out
Raise it, stay brave
But i know who owns, it will returnI found there
Rising from me
From my fingers
And all my mouthIf youre ever lonely
If you are alone and stay that way
The city is here for youMy life, much long
What i know
its running out
Raise it, stay brave
But i know, it will return
On the fourth day
On the fourth day
On the fourth day
On day four
