

Make Me Careful

Blair

Lord sometimes, I don't know where to go
As I pray, show me the right road
As I live according to your will
Make me careful, of what I am asking for
Make me careful, of what I am praying for
Make me careful, so that I can receive what you have for me

Though much is given, much is required
Yet I'm a servant, sometimes I get tired
I won't complain, this is my prayer
A job I must do
Til I'm over there
Make me careful of what I am asking for
Make me careful, of what I'm praying for, what I'm praying for
Make me careful, so that I may receive what you have for, me for me

Though much is given, much is required
Yet I'm a servant, sometimes I get tired
I won't complain, this is my prayer
A Job I must do
Til I'm over there
Make me careful what I'm asking for, what I'm asking for
Make me careful, what I'm praying for
Make me careful, you know what I need oh Lord,
You know what I need Oh Lord
Make me careful, say I want to be pleasing in your sight
Make me careful, you said in your word if I delight myself in you, you would give me the desires of my heart
I'm so glad to I'm so glad to know, I'm so glad to know`
You know what best for me
I want to be pleasing in your sight Lord
Oh yes, make me careful, that I may receive what you have for me, Yeah,
Yeah, Yeah, Yeah, Yeah
You know, you know, you know, you know
All I want to do is be in your will, in your will, in your will, in your will
OOOh, Whew,
