

# Bury Me

## Doctor Umbrella

I'm so tired, wishing I was miles away from you  
I'm so tired, imagining the ways that I'd kill you  
    I can't stand another day in my life  
    I can't stand another day  
So pay another ticket, take another pill and bury me  
It's hard to say I love you but it's hard to say goodbye  
    So bury me, bury me  
I'm so tired of hurting myself but I can't hurt you  
I'm leaving a trail of misery, protecting you  
    I can't stand another day in my life  
    I can't stand another day  
So pay another ticket, take another pill and bury me  
It's hard to say I love you but it's hard to say goodbye  
    So bury me, bury me, bury me  
I can't stand another day in my life  
    I can't stand another day  
So pay another ticket, take another pill and bury me  
I known I said I love you, so I guess this is goodbye  
    So bury me, bury me  
Yeah, I know, everything's my fault  
    So bury me  
Yeah, I know, everything's my fault  
    So bury me  
    Bury me  
    Marry me
