

# Sarah

## Prince

What a night? What a city?  
Girl, U sure is lookin' pretty  
Tryin' to catch a cool one  
Checkin' for a little fun

Sarah, Oh Sarah honey is that you?  
Is that you , baby?

Got yo good shoes on  
Ribbon in your hair  
That skirt ain't talkin' too long  
I can see your underwear

Sarah, Oh Sarah honey is that you?  
I think it's you baby

Girl I hate to be the one  
To tell you that your day is done  
You best to get your shit and go'n  
Or Tina won't be alone

Sarah, Oh Sarah honey is that you?  
is that you?

Is that you baby, is that you?  
I think it's you
