

# Daydreamin'

Jessie J

[Verse 1]

I wish I could stop myself  
You can't tell me there's nothing there  
I don't want nobody else  
Hoping one day you might care  
Voices saying just hold back  
And erase the heart drawn on your sleeve  
I won't stop pushing pushing for your love baby huh look what you done to me[Chorus 1]

You got me daydreaming  
(That's all i got all i got)  
Daydreaming  
(Of what i want what i want)  
Daydreaming  
(That's all i got all i got)

I don't wanna no i don't wanna no no  
I don't wanna no i don't wanna no no[Verse 2]

Imagination running wild  
I need to realise this ain't real  
Please just hit me with the truth  
It won't hurt if it's how i feel  
Voices saying just hold back  
And erase the heart drawn on your sleeve  
I won't stop pushing pushing for your love baby  
I want you here with me yeah[Chorus 2]

You got me daydreaming  
(That's all i got all i got)  
Daydreaming  
(Of what i want what i want)  
Daydreaming  
(That's all i got all i got)

I don't wanna no i don't wanna no no  
I don't wanna no i don't wanna no no[Bridge 1]

I'm floating even though I'm wide awake  
(I'm floating I'm floating)

You give me bliss and I just can't escape

Oh oh oh[Chorus 3]  
You got me daydreaming  
(That's all i got all i got)  
Daydreaming

(Of what i want what i want)  
Daydreaming  
(That's all i got all i got)  
I don't wanna no i don't wanna no no  
I don't wanna no i don't wanna no no  
You got me daydreaming  
(That's all i got all i got)  
Daydreaming  
(Of what i want what i want)  
Daydreaming  
(That's all i got all i got)  
I don't wanna no i don't wanna no no  
I don't wanna no i don't wanna no no
