# Good Girls, Bad Guys

## Dmx

Why do good girls
(What, what, what?)
Like bad guys?
Hey yo boo, why do good girls like bad guys?
Knowin that bad guys tell mad lies?
And why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Hey yo, who would ever think that the two would go good
Midtown honey, nigga from the hood
But knock on wood, I got this bitch, what? Excuse me
She don't like to be called a bitch, try not to lose me
The rules we go by, where I'm from, she don't know
When I say I'm goin' around the way, she won't go
Hell no! C'mon baby, you aight with me
Tryin' to get you, to spend the whole night with me
But I'm a good girl, that's why I like her
Couldn't treat her like a hoodrat, didn't bite her
Turn a church girl to a straight ruff ryder
Take her to the Ramada make it an all nighter
Oh no, I only go to the Swiss Hotel
Fuckin' with me? I have you in the back of the Chevelle
Like what? Hittin' it raw dogg in the butt
You was good this mornin', but tonight you a slut
Why do, good girls like bad guys
Knowin' that bad guys tell mad lies?
And why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Hey yo boo, why do good girls like bad guys
Knowin' that bad guys tell mad lies?
Then why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Hey yo boo, I'm diggin' you, 'cause you make me wanna do
All them things I was taught I wasn't supposed to
I'm secure, keep it tight while you on tour
You fuckin' wit a dog! That's why I'm feelin' you more
Attractive to me, wit yo' tactics, hit it like, make me backflip
You been tryin' to act, rich, that's why I taxed you
And I just got married, hell but I ain't even ask you
I'm just tellin' you, 'cause nowadays, bitches be flippin'

One more bitch, I'm skippin', damn girl, stop trippin'
'Cause you be actin' like, listen, I ain't always talkin' money
But I will keep you wit a smile, and walkin' funny
So what's it gon' be? Yo, what you mean? What to do?
You want the nigga wit the slacks, or the jeans and the boots?
You wanna be safe or be laced, 'cause you can be replaced
Yeah, you can be erased
Don't get slapped, babyface
Why do, good girls like bad guys

Knowin' that bad guys tell mad lies?
And why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Hey yo boo, why do good girls like bad guys
Knowin' that bad guys tell mad lies?
Then why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Man, I got shorty stayin' out late, well I keep him wit a cut
And his nails stay clean, but at least I get a nut
And I got honey rebellin' and I stopped him from sellin'
I be gettin' away with murder, right? Shit, I ain't tellin'
Straight out the hood, yeah, nigga you get mushy
I got honey suckin' dick and I got you eatin' pussy
I can be good in a bad way, I can be bad in a good way
Girl, you ain't the same dog, that's what them rats in the hood say
Or would say, if you was around them more often
I got honey smokin' weed, it be havin' me coughin'
She keep the dog on the leash when we walk in the streets
And if y'all think it's sweet, then the dog's off the leash
Now I don't want no drama, wit no baby's mama
I might be a good girl, but I keeps the armor
Girl, you off the hook, but at least now I know why
Good girls like bad guys
Why do, good girls like bad guys
Knowin' that bad guys tell mad lies?
And why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Hey yo boo, why do good girls like bad guys
Knowin' that bad guys tell mad lies?
Then why do dog niggaz want a honey wit class?
Sometimes you want more than just a honey wit ass
Why do good girls
(What, what, what?)
Like bad guys?
Why do good girls

(What, what, what?)
Like bad guys?
Why do good girls
(What, what, what?)
Like bad guys?
Why do good girls
(What, what, what?)
Like bad guys?
C'mon, yeah, I like that
C'mon, wha-what?
Yeah yeah, DMX
Dyme, baby girl
Ruff ryder, uhh, yeah
