

Stardust

Vic Damone

Sometimes I wonder why I spend
The lonely night dreaming of a song
 The melody haunts my reverie
And I am once again with youWhen our love was new
 And each kiss an inspiration
 But that was long ago
 And now my consolation
Is in the stardust of a songAnd beside a garden wall
 When stars were bright
 You are in my arms
 The nightingale told his fairy tale
A paradise where roses bloomThough I dream in vain
 In my heart it always will remain
 My stardust melody
The memory of love's refrainThough I dream in vain
 In my heart it always will remain
 My stardust melody
The memory of love's refrainThe memory of love's refrain
