Scream!

Arome

ScreamA chill runs up your spine and crawls into your brain
A freezing touch of fear
It's driving me insane, although you try to fight
Dragged from the silence where you hide
'Til you scream, 'til you screamA chill runs up your spine and crawls into your brain
A freezing touch of fear
It's driving me insane, although you try to fight
Dragged from the silence where you hide
'Til you scream, 'til you scream, screamI can't wait to hear you screamIt's driving me insane, although you try to fight
Dragged from the silence where you hide
'Til you scream, screamI can't wait to hear you
I can't wait to hear you scream
I can't wait to hear you
I can't wait to hear you, scream, scream, scream
