

# **Ships Are Sailing**

[Axxis](#)

The wall has fallen down tonight  
I can't believe this dream  
Tears of joy - everywhere  
We celebrate this day  
I hope we'll always be free  
I pray on my knees Paper ships sailing  
Just as a sign  
To show the world now  
There's no borderline Ships are sailing 'cross the water  
All the white lights shining bright  
Ships are sailing 'cross the water  
Burning candles in the night Dance, dance and we dance around  
On both banks of the stream  
We are all together now  
Now, now, now Now the wall is broken  
Will all dreams come true?  
We feel the freedom  
We know what we have to do Ships are sailing 'cross the water  
All the white lights shining bright  
Ships are sailing 'cross the water  
Burning candles in the night Our lights expel the darkness  
Sailing into the night  
Together we are fearless  
Our eyes are open wide Ships are sailing 'cross the water  
All the white lights shining bright  
Ships are sailing 'cross the water  
Burning candles in the night
