

Ships Are Sailing

[Axxis](#)

The wall has fallen down tonight
I can't believe this dream
Tears of joy - everywhere
We celebrate this day
I hope we'll always be free
I pray on my knees Paper ships sailing
Just as a sign
To show the world now
There's no borderline Ships are sailing 'cross the water
All the white lights shining bright
Ships are sailing 'cross the water
Burning candles in the night Dance, dance and we dance around
On both banks of the stream
We are all together now
Now, now, now Now the wall is broken
Will all dreams come true?
We feel the freedom
We know what we have to do Ships are sailing 'cross the water
All the white lights shining bright
Ships are sailing 'cross the water
Burning candles in the night Our lights expel the darkness
Sailing into the night
Together we are fearless
Our eyes are open wide Ships are sailing 'cross the water
All the white lights shining bright
Ships are sailing 'cross the water
Burning candles in the night
